

ZENS

HEREFORDS

CANOVA, SOUTH DAKOTA

2020 PRIVATE TREATY BULL SALE

Thank you for your interest in Zens Herefords. We have been selling Hereford Bulls by Private Treaty for over 60 years from eastern South Dakota with the commercial cattlemen in mind. We are committed to the success of your operation and will help you find the bull that best fits your needs and program.

Our bulls are carefully selected with performance in mind and the ultimate goal is to help you make more money. They should get your cows bred, sireng moderate birth weight calves with eye appeal that gain efficiently and finish well. The bulls are sound and developed with longevity in mind. They should be able to go out and do their job without falling apart. We put a lot of emphasis on the maternal side of his pedigree, too, so they should leave you with highly maternal, durable females. Hereford and Hereford-crossed females are some of the most sought-after females in the cattle business. This will be the first time we've offered females for sale off of the farm. We have 5 registered bred heifers along with 5 open heifers covering a variety of sire groups. These females come from highly maternal backgrounds and should go on to be good cows.

Our cow herd is based on a combination of Line One and Canadian genetics with disposition being of utmost importance. We have slowed down a step and the grandkids are helping more and more, so there is no cow worth someone getting hurt. Good udders, fertility and sound cattle are a must. They graze from late April until December and are expected to calve on time, be low maintenance, and raise a good calf.

2019 was a challenge for everyone in our area. Volatile markets, extreme cold, heavy late spring snows, and abundant

rains lead to flooding like we've never seen before. It was a struggle, but we made it through the trials and are hoping for a less eventful year in the weather department.

We have used AI to improve our genetics but have also recently incorporated ET in our program. This year we elected to add in the popular polled sire, R Leader 6964. The bulls are continually evaluated so we only offer the very best bulls for sale that we would feel confident using in our own herd. There are several half-brothers out of proven genetics that should sire uniform, consistent calves.

Our bulls are for sale at any time, but generally sell from January to May on a first-come, first-serve basis. All bulls will be semen tested and ready to turn out and go to work for you. We feel these bulls are **high quality** and **affordably priced** offering you a good value for your dollar.

We'd love to have you come and visit any time.....

– *Zens Family*

CED	BW	WW	YW	MM	M&G	REA	MARB	CHB
+8.7	1.7	46	82	30	53	+20	+10	102

He is a massive sided bull with extra bone and substance. He is long-bodied, stout made and full of red meat. He has outstanding individual performance and is out of a great donor cow that sold for \$15,000 who boasts a 114.8 WR on 4 calves. He is in the top 1% of the breed on Milk and M&G EPD's and top 3% on scrotal. Top 20% on MARB and top 10% on CHB. His EPD's continue to improve over time. He sires low BW calves that really press the scale down at weaning time.

CED	BW	WW	YW	MM	M&G	REA	MARB	CHB
-11	7.3	59	101	29	59	+42	+21	106

451 is a powerhouse performance bull! He posted the top weaning weight (910) and yearling weight (1506) at Cooper Herefords. He is a long-bodied son of HH Advance 2037 out of an 860 first calf heifer with loads of scale, depth of rib, a big top and pure performance. He posted a 124 WR and 121YR. He scanned a 14.7 inch REA with 108 marbling ratio. He has an impressive set of EPD's putting him in the top 1% of the breed for WW, YW, and M&G and top 10% for Milk and CHB.

A home-raised Sensation son we've used on our heifers. His calves come easy and really take off. He has excellent carcass data and a pedigree full of good cows with his dam being a 9144/8050 daughter.

LCI 311W TOTAL 195A

REG NO: 43499291

CED	BW	WW	YW	MM	M&G	REA	MARB	CHB
+6.0	4.8	59	88	17	46	+13	+23	88

A son of TOTAL who was the Senior Bull Champion at the 2012 World Hereford Conference whose calves are performance machines. 195A is pigmented, long based and has good muscle expression in an attractive package. Can't build a better udder than his dam. Lots of cow power in this bull! 195 sires pigment, performance and muscle into his calves and his daughters have the look to make top end cows.

Natural calf of 5080 who is a donor here. Her first calf is working for Holden Herefords, MT and Flying S, Texas. Her dam 1056 is one of the top cows in the breed for teat and udder score and has had several sons working at top Hereford ranches across the country. 2019Z is now a donor at Hoffman Herefords in NE. Here's a highly maternal calf with a bright future.
